

through its affiliation with the Georgia Department of Technical and Adult Education (DTAE) and the Technical College System of Georgia. This worthwhile partnership, allowed Albany Tech to expand its outreach initiatives by providing technical training opportunities to the residents, businesses and industries within a seven-county service delivery area. These counties include Baker, Calhoun, Clay, Dougherty, Lee, Randolph and Terrell.

Today, Albany Tech has adult learning centers in all seven of its service delivery counties. The college has more than 3,000 full-time students and another 2,500 are enrolled part-time in seminars, continuing education courses, teleconferences and customized business training programs.

As a member of the Technical College System of Georgia, Albany Tech provides vocational training support services for the thousands of non-traditional students, employees and industries that make-up southwest Georgia's expansive and ever evolving economic landscape. To accomplish this mission, the college utilizes traditional and distance learning methods. Specifically, the institution offers a wide-range of technical certificates that prepare students for employment opportunities in the fields of information technology, culinary arts, aeronautics, airplane construction, electronics, health care and other leading industrial careers.

I would also like to take this opportunity to pay tribute to Albany Tech's current President, Dr. Anthony Parker, for his outstanding leadership in promoting and advancing this training institution's many outstanding vocational services. Southwest Georgians will forever be indebted to Dr. Parker and his well-respected predecessor, Nathaniel Cross, for all they have done to make Albany Tech a more accessible and highly resourceful training facility for the many individuals and industries that rely on the school's key services.

Dr. Parker, his predecessors, and the Board of Directors should all be commended for their contributions in making Albany Tech a vital part of our local communities.

For years, the administration, faculty and alumni of Albany Technical College have been steadfastly dedicated and fully committed to implementing training programs designed to advance the economic development needs of southwest Georgia's workforce, small business community and corporations.

Due to this institution's diligent work and extraordinary efforts, employees, entrepreneurs and business owners throughout southwest Georgia have enjoyed continued success. In addressing the economic needs of hard-working Georgians through the expansive availability of strong vocational training programs, Albany Tech has facilitated our community's abilities to better respond to and meet the civic needs of our local residents.

Mr. Speaker, in closing I ask that my colleagues join me in expressing our collective and profound gratitude to the faculty, staff, alumni and supporters of Albany Technical College for all they have done to improve the quality of life for the residents of Georgia's Second Congressional District.

IN HONOR OF SERGEANT LOUIS J. MACHOVEC

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 3, 2011*

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Sergeant Louis J. Machovec, an iconic police officer from the Cleveland Police Department (CPD), as he celebrates his 100th birthday on September 29, 2011.

Sgt. Machovec was born on September 29, 1911 in Cleveland's North Broadway neighborhood. He was one of three sons born to Jan and Anna Machovec, immigrants from Bohemia, Czechoslovakia. He attended Our Lady of Lourdes school and later graduated from Thomas Edison High School. After high school, during the Great Depression, Louis worked various jobs including working as groundskeeper at Lakeview Cemetery, in a railroad boiler factory and as a Cleveland taxi driver.

In 1937, Sgt. Machovec took the qualifying test to become a Cleveland police officer. After Eliot Ness became the city's Safety Director, the entire police force was given the exam again. Sgt. Machovec scored sixth out of more than 800 applicants and was asked to become a member of the first Cleveland Police Academy Class. After working on accident prevention for a short time, Sgt. Machovec was asked to join in the investigation of the Kingsbury Run murders; the Cleveland Torso Murderer was never caught.

He worked in various departments, ultimately joining the CPD's communications division. He worked as the voice of the Cleveland Police Department for many years, through the 1950 Thanksgiving snowstorm and the Hough Riots in the 1960s. Later, Sgt. Machovec ran the police internal telephone exchange and bank alarm departments until his retirement. He served with the Cleveland Police Department for 39 years.

Following his retirement, Sgt. Machovec moved to Solon, Ohio to be closer to his wife, Margaret, and their daughters, Mary Lou and Margaret. Today, he enjoys spending time with his children and grandchildren and still wears his grey CPD shirt.

Mr. Speaker and colleagues, please join me in wishing Sgt. Louis Machovec a very happy 100th birthday and thanking him for his dedicated service with the Cleveland Police Department.

COMMEMORATING REVEREND  
WILLIE G. DIXON

**HON. KATHY CASTOR**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 3, 2011*

Ms. CASTOR of Florida. Mr. Speaker, in recognition of his 80th birthday milestone, I rise to commend the inspirational leadership of Reverend Willie G. Dixon. Reverend Dixon is a wonderful example of how a local leader can help shape future generations and make a difference in their community. Reverend Dixon's accomplishments are worthy of recognition by the entire Tampa community.

A native of Tampa, Florida, Reverend Dixon entered the Air Force upon completion of high

school. After serving our country, Dixon was honorably discharged and enrolled at Tennessee State University where he received a Bachelor of Science in Music Education. He then moved back to the Tampa area, where he was employed by the Hillsborough County School Board as an elementary school music teacher and band director for six years.

Reverend Dixon then went on to pursue a career helping ex-offenders at the Zephyrhills Correctional Institution. As an ex-offender placement specialist, Dixon assisted inmates preparing for release and later served in the same capacity at Pasco-Hernando Community College. While employed in this career, he continued to work in area school systems until his retirement from the Sarasota County School System in 1991.

While teaching in Hillsborough and Sarasota County, Reverend Dixon realized that a large percentage of his students were African American repeat offenders who were unable to gain reentry into society financially and socially. Dixon developed a strong desire to help these youths that experienced difficulty getting back on track after release due to a number of factors such as broken homes, various types of abuse and lack of education.

In response to this calling, Dixon formed COACH Foundation, Inc. and the COACH Faith Based Ministry. COACH Foundation, Inc. has numerous programs that help inmates make a smooth transition into society and become productive citizens. These programs include after-school programs, job training, counseling, affordable home-ownership as well as many other services that benefit the community. Reverend Dixon's individual efforts continue to touch lives with his partnership with the Abe Brown Prison Ministry and weekly bible study with inmates at the Zephyrhills Correctional Institution.

The Tampa Community is proud to recognize Reverend Willie G. Dixon for his efforts and outstanding contributions towards educating and guiding youth in Tampa. Reverend Dixon's determination and commitment to improving the lives of others have made him an inspirational community leader. I ask that you and all Americans recognize such a remarkable citizen for his service to our community.

Mr. CROWLEY. Mr. Speaker, it is my privilege and honor to offer my best wishes to the millions of Indian-Americans and to Indians around the globe on this Gandhi Jayanti, India's national holiday celebrating the birth of Mohandas Gandhi.

Political prisoner, freedom fighter, father of a nation—Gandhi shaped modern India and has continued to shape the world we live in by inspiring some of the greatest leaders of our time. A champion for the rights of all people, he fought apartheid in South Africa, colonial rule in India, and oppression and injustice in all its guises. In doing so, he has inspired our world's greatest leaders from Nelson Mandela to Cesar Chavez, Aung San Suu Kyi and Dr. Martin Luther King, Jr.
